About Caprock AMBUCS

AMBUCS (American Business Clubs) is public charity comprised of a diverse group of men and women who are dedicated to creating mobility and independence for people with disabilities.

Members fulfill our organization's mission by:

- Performing various forms of community service
- Providing AmTryke® therapeutic tricycles to individuals who are unable to operate a traditional bike
- Awarding scholarships to therapists

The Lubbock Caprock Chapter of AMBUCS was chartered on June 1st, 1956 by the Lubbock Downtown chapter with 44 charter members. James E. Norman was the charter president of Lubbock Caprock. Paul Bush and Delwin Jones were charter members of Caprock and are still members today. Our members include therapists, bankers, nurses, business owners and a wide spectrum of other occupations. Our annual fundraiser is the largest basketball tournament in the nation. All of the money we raise goes towards charitable activities.

We are recognized as a 501(c)(3) charitable organization under IRS regulations.

Interested in joining us? We meet for lunch on the first and third Thursday of every month from 12:00 to 1:00 at Stella's restaurant at 4646 50th St. Most meetings include a presentation from a community leader about local events. Visitors are welcome to attend and a tasty lunch will be provided.
